Remember [Buddy Holly](#)? The small town Texas crooner. He soared in the 50s until his untimely death. While he was a popular music icon in the 50s, he continues to be an icon to some today. For instance, this man featured in the video below appreciates Buddy Holly so much he decided to get his portrait and signature inked on his hand. SullenTV gives you an exclusive look at tattoo artist Fernie Andrade as he gives this man the tattoo of his life in [SullenTV](#)'s new [YouTube](#) series, Tattoo Timelapse. Check out the video below to witness the creation of this detailed tattoo in a matter of minutes.
