

Folding Ray-Ban Wayfarers

07/02/13 / Author: Samantha Baker

Ray-Ban has done it again. The iconic company that creates the popular Wayfarer sunglasses has given them another makeover. Gone are the days of having to shove a pair of chunky sunglasses in your pocket or have them hanging from your shirt. With these compact and foldable Wayfarers you can take your sunglasses anywhere without worrying about them. Stylish and practical, these functional Wayfarers are the perfect summer treat to give yourself. Head over to Ray-Ban's site to check out all the colors [here](#).
