[America's Got Talent](#) judge [Heidi Klum](#) is ridding herself of the last remnants of her marriage to singer [Seal](#). In 2008, Klum had Seal's name, along with the initials of their three children in stars, inked on her body to commemorate their fourth vow renewal. After seven years of marriage, Klum filed for divorce in April 2012. A year after calling it quits, Klum has begun removing Seal's name from her right forearm but plans to keep the stars with their children's initials.
