

Justin Bieber Finishes His Sleeve

06/21/13 / Author: Samantha Baker

[Justin Bieber](#) is no stranger to tattoos, but the star only recently completed his first full sleeve. Having around 17 or 18 tattoos, it is surprising that the star had not completed his first sleeve sooner. The 19-year-old singing sensation showed off his latest inking, a castle surrounded by roaring waves, while hitting the town Monday evening. With his left arm now complete, it will be interesting to see what and where he gets tattooed next.
