## One Direction members Zayn Malik and Louis Tomlinson get more ink

06/28/13 / Author: Samantha Baker

[One Direction](#) heartthrobs [Zayn Malik](#) and [Louis Tomlinson](#) found themselves getting some fresh ink in Maryland this past Tuesday. Rumor has it Malik had a picture of his girlfriend, British singer [Perrie Edwards](#), tattooed on his right bicep. From the picture this rumor looks to be true. Tomlinson on the other hand went a much different route, supposedly having a web inked on his inner right forearm to represent his love of [Spider-Man](#). In addition to that, Tomlinson had a bomb tatted near the same place. Why? Who

knows, probably because he thinks it looks cool.

Concerning me and my husband we’ve owned additional MP3 players over time than I can count, together with Sansas, iRivers, iPods (common & touch), the Ibiza Rhapsody, etc. But, the last few many years I’ve settled down to one line of players.
