

Simpsons-Converse Collaboration

06/17/13 / Author: Samantha Baker

For the (surprisingly) first time ever, [Converse](#) has teamed up with [The Simpsons](#) on a special collection that is sure to make you say “Woo-hoo.” Despite being the longest running scripted series in television history, The Simpsons had not collaborated on a footwear collection until now. With some seriously sick vibrant graphics, Converse brings this notorious family to life. Keep an eye out for the collection at [Journeys](#) and Converse beginning June 15.
